

# The Buzzword bingo card

Check every concept quoted by Thomas during the workshop. As soon as you have identified 15 concepts on the card, shout: "BINGO!".

After verification from Thomas (and if you didn't cheat 😊, you will win a book or a T-Shirt)

Aggregate	Hexagonal architecture	Ubiquitous language	Value type	Ports and adapters
Event Storming	Event buzzing	CQRS	Event sourcing	Example mapping
Outside-In TDD	Closure of operation	Yellow book	eXtreme Programming	Cargo
Impact mapping	Key ring metaphor	Ivory tower	Bounded Contexts	Kamoulox
Black box	Game of thrones	Blue book	Live-coding	Architecture
